PROFILE

As a front-end developer with 9 years of experience, I am highly skilled in HTML, CSS, and JavaScript. I have a proven track record of creating responsive and user-friendly websites and web applications. My ability to collaborate effectively with designers and back-end developers has resulted in successful projects that meet or exceed client expectations. I am passionate about staying up-to-date with the latest front-end development trends and technologies, and am constantly seeking new ways to improve my skills and knowledge.
